

# Christopher Chemist

---

1234 Jayhawk St. • Lawrence, KS 66045 • 555-555-5555 • chemist@ku.edu

## OBJECTIVE

To obtain an entry-level laboratory research position within the pharmaceutical industry.

## EDUCATION

### Bachelor of Science in Chemistry

*The University of Kansas*

Chemistry Honors Program Graduate

December 20xx

Lawrence, KS

GPA: 3.9/4.0

## LAB EXPERIENCE

### Biopharma Operations Intern

*Pfizer Global Manufacturing*

June 20xx – August 20xx

Creve Coeur, MO

- Assisted in laboratory research to develop testing methods to pre-select lots for use in heparin-based pharmaceuticals.
- Practiced advanced research techniques and lab safety procedures successfully.
- Acted as an intern liaison to professional staff meetings on a monthly basis.
- Worked independently on a daily basis to complete assigned tasks and projects while coordinating with other interns and laboratory staff.

### Honors Directed Individual Study

*Dr. M. Scientist, The University of Kansas*

August 20xx-May 20xx

Lawrence, KS

- Honors research project concentrated on the synthesis of phosphoamino acids using microwave technology.
- Helped devise a synthesis technique to reduce preparation times.
- Utilized techniques for column purification of crude compounds, distillation of reactants and NMR analysis of products.
- Documented research project data in honors thesis to be presented to faculty panel.

## OTHER EXPERIENCE

### Vice-President

*KU Chem Club, The University of Kansas*

December 20xx – Present

Lawrence, KS

- Assist in the planning of club events and lead outreach efforts to increase membership.
- Maintain club website to improve member involvement and awareness.

### Pharmacy Technician

*Hy-Vee Pharmacy*

July 20xx – Present

Lawrence, KS

- Assist pharmacists in the entry and filling of customer prescriptions.
- Consistently recognized by pharmacy management and customers for providing exceptional customer service.
- Completed H.I.P.P.A. training program in compliance with state and federal requirements.
- Perform administrative tasks including drug inventory, prescription filing, and product ordering.

### Science Tutor

*Rock Chalk Middle School*

August 20xx – May 20xx

Lawrence, KS

- Tutored three seventh-grade students in natural science courses on a weekly basis.
- Developed supplemental learning activities and handouts to improve students' understanding of course material.

## HONORS AND AWARDS

### Clark E. Bricker Scholarship

August 20xx

### Owen W. Maloney Scholarship

August 20xx
