## WHAT IS FOCUS 2?

Focus 2 is an online assessment tool used to help students discover KU specific majors and related careers based on their interests, personality, and skills. FOCUS 2 combines 5 self-assessments, career and major exploration, action planning and decision making in one comprehensive product. Using this free online tool, students can:

- Discover which KU majors would be a good fit
- Research jobs that are commonly pursued with specific majors
- Find salary and job-demand information for popular careers
- Compare career options side-by-side
